

2424 Engraver

VISION
ENGRAVING & ROUTING SYSTEMS
A Company of Western Engravers Supply, Inc.

Increase Capabilities & Business Profits!

The 2424 Engraver is ideal for light- to heavy-duty applications in a large-size engraving area. Offering a 24" x 24" table, this machine is great for a variety of jobs such as volume production work, large signage, industrial marking, and multiple plate jobs. With the ability to engrave an entire sheet of engravers' plastic, the Vision 2424 is the ultimate productivity tool for your shop. The 2424 commercial engraver is also ideal for marking industrial items such as tools, cylinders, pipes, and gauges.

The 2424 Offers:

- Red Laser Pointer for easy job set-up
- Large 24" x 24" work area
- Quick Lock Vise for holding materials in place
- 2-year limited warranty
